

2013 Python Challenge™ Data Sheet

Name of Participant(s): _____

Trip / Survey Route Information

Start Location

Time (24h)	Weather	UTM E / Latitude	UTM N / Longitude

End Location

Time (24h)	Weather	UTM E / Latitude	UTM N / Longitude

Area: _____

Date: _____

Comments:

Harvested Python Information

[illegible]

Data Sheet Field Descriptions and Codes

Date	mm/dd/yyyy format
Area	Name of area or WMA where hunting
Start Location	Starting location of the transect where survey begins
End Location	End location of the transect where survey ends
Time	24hr format when an individual was observed
Species	Exotic snake species observed. Options include Burmese Python, African Rock Python, Green Anaconda, Yellow Anaconda, Boa Constrictor
UTM E/Latitude	UTM easting in WGS 1984 format (i.e. 499843) or Latitude in WGS 1984 decimal degree format
UTM N/Longitude	UTM northing in WGS 1984 format (i.e. 2895568) or Longitude in WGS 1984 decimal degree format
Habitat	General habitat description of where the individual was located (see table for codes)
Captured	Was the animal captured, yes or no. If captured, please label the snake. Placing a band of duct tape around the snake will make a sufficient label.
	Label should include date, area, name of participant, and coordinates (if possible). If snake wasn't captured, describe details of encounter in notes section.
Photo	Was a photo taken, yes or no
Notes	Any useful data that is not normally collected (i.e. individual observed half way out of hole, building nearby, etc.) specific to the animal

Habitat Codes	
Levee	Elevated land-this will include the roads that are on top of the levee
Road	Dirt, gravel, or asphalt roads that are not on top of levees
Marsh	Primarily wet areas that will include, but not limited to sawgrass, cattail, and spikerush
Tree Island	Tree Island
Agriculture	Any type of farm or horticultural use, such as tree plantations or vegetable fields
Rock	Rock piles
Building	Man-made structures
Canal	in or around the water of a canal
Open Water	any standing water without vegetation and not a canal

Weather Codes	
R	Steady Rain
O	Overcast
S	Scattered Showers
P	Partly Cloudy
C	Clear
